

Life on Mars

Did there used to be a civilisation on Mars ?

Fake news

is fake news the lie to censor everything on the internet

Spam or truth

Do You think it is right that private internet companies can decide what is spam in a free society ?

David Icke

They have suspended david Ickes facebook account, who do you think will be deemed the next threat to concealing the truth ?

Big Brother

Do you think the new policy at facebook is only the start of new state censorship powers !
